

CREDIT PRE-APPROVAL APPLICATION

Instructions:

- Complete both pages of the Application, sign and submit it **with the following information:**
 1. Event schedule – showing title and length of each session and breaks
 2. Description of the session(s) – what topics will be covered? What will attendees learn?
- Make sure the information is complete. Sessions that are missing the description and/or speaker information will not be reviewed or granted credit.
- If your event has multiple, concurrent sessions include the time block (Slot A, Slot B, etc.) in the same field as the session title.
- The following activities are not generally awarded credit and need not be listed: Vendor exhibit time, networking sessions, roundtable discussions.
